About the organising institution

Mar Athanasius College of Engineering pioneered engineering education in central Kerala in 1961. Managed by Mar Athanasius College Association, aided by the Government of Kerala, the college was the first in Asia under Christian Management. It was also the first engineering college affiliated to Mahatma Gandhi University and is now affiliated to APJ Abdul Kalam Technological University. MACE, as it is popularly known, has grown by leaps and bounds since. It now has six full-fledged departments apart from the two auxiliary departments of Mathematics and Science and Humanities.

ABOUT THE DEPARTMENTS

The *Department of Mechanical Engineering* of MACE is as old as the Institute itself. It is recognized as one of the best in the state. The Mechanical Engineering department has been producing exceptional academic results consistently ever since its inception. Apart from the B Tech programme, the department offers M Tech programme in Thermal Power Engineering.

The *Electrical and Electronics Engineering department* of Mar Athanasius College of Engineering has a proud history of over 50 years. Since its initiation, the department has set a standard of excellence through its academic and co-curricular activities. The department offers B.Tech programme in Electrical and Electronics Engineering and an M.Tech Programme in Power Electronics.

IQAC

The internal quality assurance cell of MACE started functioning in the year 2015. IQAC MACE is meant for planing, guiding and monitoring the quality assurance and enhancement activities.

VISION

Excellence in education through resource integration.

MISSION

The institution is committed to transform itself into a centre of excellence in Technical Education upholding the motto "Knowledge is Power." This is to be achieved by imparting quality education to mould technically competent professionals with moral integrity, ethical values and social commitment, and by promoting innovative activities in the thrust areas emerging from time to time.
