International Science, Technology & Cultural Exhibition
26 November – 03 December 2022

Dear Sir,

Greetings from Mar Athanasius College of Engineering (MACE), Kothamangalam, on the occasion of our Diamond Jubilee Celebrations. It is indeed a proud moment for MACE to celebrate the sixty glorious years of its journey towards academic and technical excellence.

An *international-level science, technology and cultural exhibition 'VAJRA-MACE'* is being organized from *26th November to 3rd December 2022*, to commemorate the Diamond Jubilee celebrations of MACE. VAJRA-MACE showcases the traditions and trends of technology around the globe to the general public at large and students in particular.

The techno-cultural exhibition planned as a part of our Diamond Jubilee celebration will display the state-of-the-art products and technologies of various government and non government organizations and industries, in addition to the unique laboratory facilities of MACE. VAJRA-MACE will also conduct various cultural programs, technical talks, seminars, and competitions. This technical and cultural fiesta aims to bring together a huge gathering from all sections of society.

We cordially invite you with family to this mega event. Expecting your whole-hearted co-operation and support.

Dr. Winny Varghese
Secretary
Mar Athanasius College Association
