The above recommendations of the All India Council for Technical Education regarding the non-recurring expenditure have been considered and accepted by the Central Government.

2. The Central Govt. have agreed to share the

expenditure as under:-

The private agency concerned should provide at least 50% of the non-recurring expenditure. The other 50% of the non-recurring expenditure should be provided in equal parts by the Central Govt. and the State Govt. concerned.

As regards recurring expenditure 25% would be provided by the Central Govt. upto the end of the third plan period and the State Govt. in association with the private agency should provide the balance. After the 3rd plan period, the Central Govt's share should be taken over by the State Govt. concerned either by itself or in association with the private agency. The income from tuition fees may be utilized by the State Govt. and the private agency for meeting their share of recurring expenditure.

It is noted that the State Govt. have given the necessary assurances in this behalf vide their letter No. 1-71052/50/100, dated the 22nd December, 1960.

3. On the above basis, the respective share of the Central Govt. and the State Govt. and the Institute, in so far as the non-recurring cost of the scheme for the additional courses are concerned will be as follows:-
